EXPERIENCE

[Hatchways](#), Remote(Contract)

Code reviewer | 07, 2021 – present

- Develop and maintain code review guidelines and best practices documentation to ensure consistency and quality across projects.
- Conduct thorough and systematic code reviews for software projects, ensuring code quality, adherence to coding standards, and best practices.
- Examine codebases and offer input regarding the implementation, code quality, effectiveness, and adherence to best practices.
- Offer recommendations for enhancing the code review process.

UPWORK, Remote

Freelance software developer | 06, 2021 – present

- Deliver web software development projects within specified timelines while ensuring high-quality results.
- Skillfully compose persuasive bids to secure web development projects that involve HTML5, CSS3, Node.js, JavaScript, React, and Python, and utilize tools such as GitHub and Git.
- Achieved 100% job success for all the tasks assigned so far.

STANDARD CHARTERED BANK, *Kampala, Uganda*

Custodian, Treasury Department | 12, 2014 – 08, 2016

- Successfully implemented an end-of-day reporting system that significantly enhanced accountability and productivity within the department.
- Authored and distributed comprehensive monthly risk assessment reports throughout the department, facilitating timely identification and management of risks. This proactive approach successfully averted potential disastrous consequences.

EDUCATION

MICROVERSE | 03, 2020 – 07, 2021

Remote Full Stack Web Development Program

- Spent 40+ hours/week mastering algorithms, data structures, and full-stack web development while simultaneously developing projects with Bootstrap, Tailwind, HTML/CSS, Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair programming using GitHub, Slack, Zoom, industry-standard git workflow, and daily standups to communicate and collaborate with other international remote developers.

MAKERERE UNIVERSITY | 08, 2005 – 06, 2009

BSc. in Telecommunications Engineering

- Completed all course units necessary to receive a second-class honors degree.
